

## Information about the catering and accommodation on the Tuareg Rallye 2010.

### Catering.

Catering (breakfast & dinner) is provided by the hotels in Morocco. To avoid upset stomach we have paid special attention to the cleanliness of the kitchens. Even if they are offered, do not eat salad or cold drinks. The day rations consist of bread, sausage, fish, cookies and water and will be supplied free by the organisation. All meals and water are included in the price of the Tuareg Rally. We recommend you take a plate, cup & cutlery with you. Drinks which are ordered in the hotels (beer, wine, coke etc) have to be paid for by the entrant & are not included.

You will find the day rations inside some red metal rally boxes which will be placed near the restaurant of the central hotel (Camp Missor = Hotel Baroudi, Camp Mersouga = Hotel Tuareg). The boxes will be available all day and filled up after the briefing. Please only take from the boxes what you will need for the day and what you can carry without using some bags and boxes. Please don't give any food from these boxes to anyone outside of the rallye. The total amount of food available is carefully calculated to be enough for all the people in the rallye. If you give food to other people or deposit for the time back at home, there may not be enough at the end of the rallye. Anything that is not eaten, we will give to an aid organisation.

### Accommodation.

Accommodation depends on your booked category. It will be in a hotel room, in a communal hotel nomad tent or if you don't want to sleep in the hotel tents, in your private tent. The nomad tent is a big tent which is built up by the hotel. The nomad tents and hotel rooms are supplied with a mattress and a blanket. Because of the cold nights and the hygiene on the ferry we recommend everybody takes a sleeping bag.

### Type of accommodation you can expect.

Booked category	ferry**	Camp Missor	Camp Mersouga	Camp Mojacar
Tent	4 Bed Cabin *	Tent	Tent	3 bed room
Combi Double room	2-4 Bed Cabin *	Tent	Double room *	Double room
Double room	2-4 Bed Cabin *	Double room	Double room	Double room

Please don't forget we are on a rally in Africa – unavoidable changes can (and do!) happen.

\* With central toilet and shower.

\*\* The type of cabin depends on the capacity of the ferry. The Almeria-Nador-Almeria crossing is operated with various ships.

### Information about your detailed accommodation.

At the beginning of the rallye you will get a passport envelope with some stickers. On these stickers you will find the information in which hotel and in which room or tent you will sleep. Dinner and breakfast will be in the same hotel in which you sleep. To identify you to the hotel, you will get a meal voucher. With this information in the passport envelope, it will not be necessary to go to the organisation to ask for details of your accommodation. When you arrive in the camp you can go straight to your room or your tent. In the passport envelope you will also find the information regarding whether you will get your room key from the organisation or your serviceteam.

In order to have a central point and to create a good atmosphere in the driver camp, all people with tent accommodation will stay in Missor in the hotel Baroudi and in Mersouga in the hotel Tuareg. All information and briefings will only be in these central hotels. If you have room accommodation, the hotel you stay in depends on your date of entry to the rallye.

### **Hotels before the rally start.**

If you arrive before the rally start, you will find accommodation as follows. Please contact the hotels by telephone or fax. The cost of your stay in these hotels before the rallye is not included in the price of the rallye.

In Girona on the way to Almeria.

Hotel Husa Fornells Park \*\*\* Carretera N-II km 711 17458 Girona.
